

# VALVES

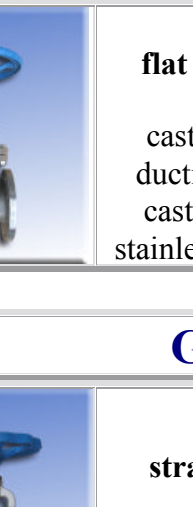

## Range of Products

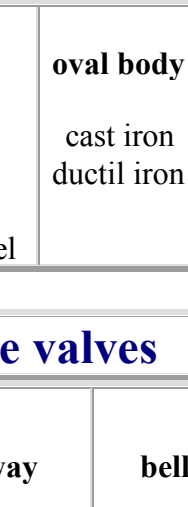

### Gate valves

	<b>flat body</b>	<b>oval body</b>	<b>round body</b>	<b>ANSI</b>
	cast iron ductil iron cast steel stainless steel	cast iron ductil iron	cast steel stainless steel	A216 WCB A105 N

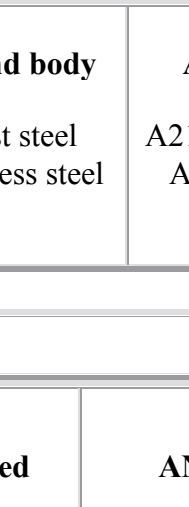

### Globe valves

	<b>straightway</b>	<b>bellow sealed</b>	<b>ANSI</b>
	cast iron cast steel stainless steel	cast steel stainless steel	A216 WCB A105 N

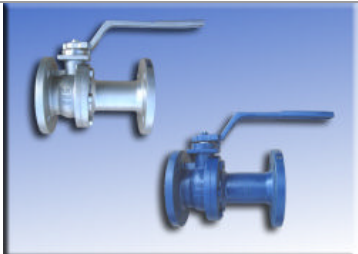

### Globe check valves

	<b>straightway</b>
	cast iron cast steel stainless steel

### Strainers

	<b>Y-type</b>	<b>ANSI</b>
	cast iron cast steel stainless steel	A216 WCB A351 CF8 A351 CF8M

## Ball valves

	<b>DIN</b>  cast steel stainless steel	<b>ANSI</b>  A216 WCB A351 CF8M
---	---	--

## Swing check valves

	<b>DIN</b>  cast iron cast steel stainless steel	<b>waste water</b>  cast iron ductil iron	<b>ANSI</b>  A216 WCB
---	--	--	-----------------------------

## Gate valves, flat body

version: inside / outside

**material**  
 GJL-250  
 GJS-400-18

**seats**  
 brass / brass  
 st. steel / st. steel  
 Rg5

**sizes**  
 DN 40 - 300

**pressure ratings**  
 PN 10 - 16

**special equipments: gate valves quick closing, by-pass, gear mounting, electric actuator, end position switches**

**Other dimensions on request.**

**version: inside**

**materials**  
GJS-400-15/epoxy  
GJS-500-7/epoxy

**seats**  
EPDM

**sizes**  
DN 40 - 600

**pressure ratings**  
PN 10 - 16

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

**version: outside / inside**

**material**  
GP240GH+N

**seats**  
stainless steel

**sizes**  
DN 40 - 300

**pressure ratings**  
PN 10 - 16

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

**version: outside**

**materials**

1.4408

**seats**

1.4408

**sizes**

DN 50 - 300

**pressure ratings**

PN 10 - 16

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

## Gate valves, oval body

**version: inside / outside**

**material**

GJL-250

**seats**

brass

stainless steel

**sizes**

DN 40 - 300

**pressure ratings**

PN 10 - 16

**special equipments: gate valves quick closing, by-pass, gear mounting, electric actuator, end position switches**

**Other dimensions on request.**

---

**version: inside**

**material**  
GJS-400-15/epoxy

**seats**  
EPDM

**sizes**  
DN 40 - 300

**pressure ratings**  
PN 10 - 16

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

## Gate valves, round body

**version: outside**

**material**  
GP240GH+N

**seats**  
stainless steel

**sizes**  
DN 40 - 600

**pressure ratings**  
PN 10 - 40

**special equipments: welding ends, by-pass, gear mounting, electric actuator**

**Other dimensions on request.**

---

**version: outside**

**material**  
1.4408

**seats**  
1.4408

**sizes**  
DN 40 - 300

**pressure ratings**  
PN 16 - 40

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

## ANSI-Gate valves

**version: outside**

**material**  
A216 WCB  
A105 N

**seats**  
13Cr / Hardfaced

**sizes**  
inch 1/2" - 36"

**pressure ratings**  
150 - 800 lbs

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

# Globe valves

version: straightway form

material  
GJL-250

sizes  
DN 15 - 250

seats  
stainless steel

pressure rating  
PN 16

special equipments: throttling plug, indicator, heating-jacket

Other dimensions on request.

---

version: straightway form

material  
GP240GH+N

sizes  
DN 15 - 250

seats  
stainless steel

pressure ratings  
PN 16 - 40

special equipments: throttling plug, indicator, heating-jacket

Other dimensions on request.

---

**version: straightway form**

**materials**  
1.4408

**seats**  
stainless steel

**sizes**  
DN 15 - 150

**pressure ratings**  
PN 16 - 40

**special equipments: throttling plug, indicator, heating-jacket**

**Other dimensions on request.**

---

**version: bellow sealed**

**material**  
GP240GH+N

**seats**  
stainless steel

**sizes**  
DN 15 - 200

**pressure ratings**  
PN 16 - 40

**special equipments: heating-jacket**

**Other dimensions on request.**

---

**version: bellow sealed**

**material**  
1.4408

**seats**  
stainless steel

**sizes**  
DN 15 - 200

**pressure ratings**  
PN 16 - 40

**special equipments: heating-jacket**

**Other dimensions on request.**

---

**version: straightway form**

**material**  
A216 WCB  
A105 N

**seat**  
13Cr / Hardfaced

**sizes**  
inch 1/2" - 12"

**pressure ratings**  
150 - 800 lbs

**special equipments: gear mounting, electric actuator**

**Other dimensions on request.**

---

## Globe check valves

**material**  
GJL-250

**seats**  
stainless steel

**sizes**  
DN 15 - 200

**pressure rating**  
PN 16

Other dimensions on request.

---

**material**  
GP240GH+N

**seats**  
stainless steel

**sizes**  
DN 15 - 200

**pressure rating**  
PN 40

Other dimensions on request.

---

**material**  
1.4408

**seats**  
stainless steel

**sizes**  
DN 15 - 200

**pressure ratings**  
PN 16 - 40

**Other dimensions on request.**

---

## Strainers

**version: Y-type**

**material**  
GJL-250

**screen**  
1.4301

**sizes**  
DN 15 - 300

**pressure ratings**  
PN 10 - 16

**Other dimensions on request.**

---

**version: Y-type**

**material**  
GP240GH+N

**screen**  
1.4301

**sizes**  
DN 15 - 250

**pressure ratings**  
PN 16 - 40

**Other dimensions on request.**

---

**version: Y-type**

**material**  
1.4408

**screen**  
1.4401

**sizes**  
DN 15 - 250

**pressure ratings**  
PN 16 - 40

**Other dimensions on request.**

---

## ANSI - Strainers

**material**  
A216 WCB  
A351 CF8  
A351 CF8M

**screen**  
304 / 316

**sizes**  
inch 2" - 12"

**pressure ratings**  
150 - 300 lbs

Other dimensions on request.

---

## Ball valves

**material**  
GP240GH+N

**ball**  
1.4301

**sizes**  
DN 15 - 150

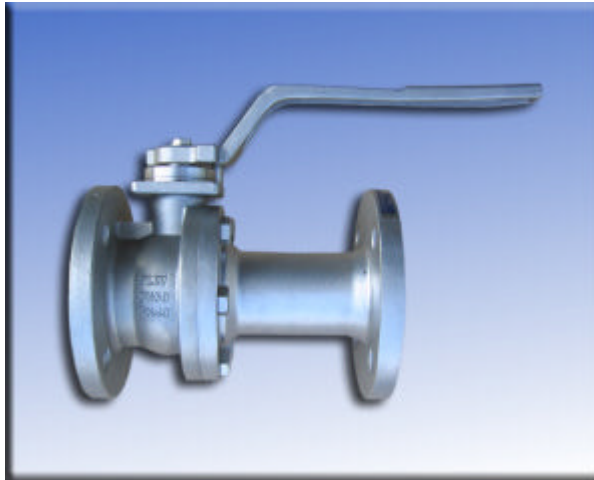

**pressure rating**  
PN 16 - 40

Other dimensions on request.

---

**material**  
1.4408

**ball**  
1.4571

**sizes**  
DN 15 - 150

**pressure rating**  
PN 16 - 40

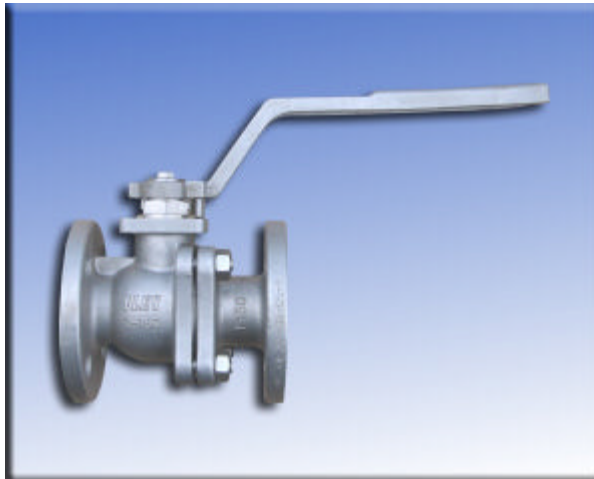

Other dimensions on request.

---

## ANSI-Ball valves

**material**  
A216 WCB  
A351 CF8M

**ball**  
304 / 316

**sizes**  
1/2" - 8"

**pressure rating**  
150 - 300 lbs

Other dimensions on request.

---

# Swing check valves

version: inside shaft

**material**  
GJL-250  
GJL-250/epoxy

**seats**  
brass / brass  
st. steel / st. steel

**sizes**  
DN 40 - 250

**pressure ratings**  
PN 10 - 16

special equipment: lever and weight

Other dimensions on request.

---

version: inside shaft

**material**  
GP240GH+N

**seats**  
stainless steel

**sizes**  
DN 40 - 300

**pressure ratings**  
PN 10 - 40

special equipment: lever and weight

Other dimensions on request.

---

**version: inside shaft**

**material**

1.4408

**seats**

1.4408

**sizes**

DN 40 - 300

**pressure rating**

PN 16

**special equipment: lever and weight**

**Other dimensions on request.**

---

## Waste water - Swing check valves

**material**

GJL-250/epoxy  
GJS-500-7/epoxy

**seat**

EPDM

**size**

DN 50 - 300

**pressure rating**

PN 10

**special equipment: lifting device**

**Other dimensions on request.**

---

**material**  
A216 WCB

**seat**  
13Cr / Hardfaced

**sizes**  
inch 2" - 24"

**pressure ratings**  
150 - 600 lbs

**Other dimensions on request.**

---
